## OUR STORY

Every remarkable journey begins with a bold vision — and AXL Cargo Solution FZCO is no exception. Founded in the dynamic heart of Dubai, a global hub of innovation and ambition, our story is rooted in a passion for excellence and a drive to reshape the logistics landscape. From the outset, we set our sights on redefining industry standards. We recognized that in today's fast-paced global economy, logistics is not just about transporting goods — it's about driving business success. With deep industry insight and a clear understanding of our clients' evolving needs, we set out to deliver more than just cargo: we deliver progress. AXL Cargo Solution FZCO was built on a foundation of expertise, reliability, and innovation.

Our team of seasoned professionals shares a unified commitment — to empower businesses through agile, precise, and forward-thinking logistics solutions. As we expand our footprint, our mission remains unwavering: to go beyond conventional logistics and become a trusted partner in growth. At AXL Cargo Solution, we don't just move freight — we move businesses forward.

# OUR VISION

At AXL Cargo Solution FZCO, our vision is to redefine the future of integrated logistics across the GCC and beyond. We aspire to become a catalyst for business growth by delivering intelligent, agile, and customer-centric logistics solutions. Driven by innovation and guided by trust, we aim to build lasting partnerships that transcend transactions — partnerships that accelerate progress and unlock new possibilities. We don't just move cargo; we move businesses forward — shaping a smarter, faster, and more connected logistics future.

# OUR MISSION

At AXL Cargo Solution FZCO, our mission is to elevate logistics standards by delivering seamless, reliable, and forward-thinking solutions tailored to the unique demands of modern businesses. We are committed to creating long-term value through service excellence, operational transparency, and end-to-end efficiency across the supply chain. By aligning with our clients' goals, we aim to be more than a provider — we strive to be a trusted extension of their success.

# OUR PHILOSOPHY

At AXL Cargo Solution FZCO, we believe logistics is more than transport — it's about enabling growth, creating value, and building trust. Our philosophy stands on three pillars:

SPEED & PRECISION TO KEEP CLIENTS AHEAD

PARTNERSHIP & TRUST AS  
THE FOUNDATION OF EVERY RELATIONSHIP

INNOVATION & FLEXIBILITY  
TO STAY AHEAD IN A CHANGING WORLD

We are not just a logistics provider — we are a driving force for business progress.

# SERVICES

## AIR FREIGHT

We provide fast, secure, and reliable air freight solutions designed for time-critical and high-value shipments. With global reach and strategic airline partnerships, we ensure efficient transit times, real-time tracking, and smooth customs clearance — delivering your cargo safely, on schedule, and with precision.

## SEA FREIGHT

We offer cost-effective and dependable ocean freight solutions for large volumes and bulk cargo. Leveraging strong relationships with major carriers and global ports, we ensure optimized transit times, secure container handling, and full compliance with international shipping regulations, whether FCL or LCL, AXL delivers seamless door-to-door service with efficiency and care.

## LAND TRANSPORT

Our land freight solutions offer flexible, reliable, and efficient transportation across the GCC and beyond. Whether full truckload (FTL) or less-than-truckload (LTL), we ensure timely deliveries, optimized routing, and real-time visibility. With a modern fleet and experienced drivers, AXL guarantees secure and compliant movement of goods — from origin to final destination.

## CUSTOMS CLEARANCE

Navigating customs procedures can be complex, but with AXL, it's seamless. Our experienced clearance specialists ensure fast, accurate, and fully compliant processing at all major ports and borders. From documentation to duty management, we minimize delays, reduce risks, and keep your cargo moving without interruption.

## | WAREHOUSING & DISTRIBUTION

Our secure and strategically located warehouses offer flexible storage solutions tailored to your inventory needs. From short-term holding to full-scale distribution, we provide inventory management, order fulfillment, and value-added services — all powered by real-time tracking and a commitment to operational excellence.

## | DOOR-TO-DOOR DELIVERY

AXL simplifies logistics by offering fully integrated door-to-door delivery solutions. From pickup to final delivery, we manage every step with precision, ensuring speed, reliability, and peace of mind. Whether local or international, your cargo reaches its destination seamlessly and on schedule.

## | PROJECT CARGO & SPECIAL HANDLING

Handling complex, oversized, or high-value shipments requires expertise, and AXL delivers. Our project cargo services are built for industries with specialized needs, offering tailored planning, route optimization, and hands-on coordination from start to finish. We ensure safe, compliant, and cost-effective transport, no matter the size or challenge.

# VALUE-ADDED SERVICES

## HOLD & RELEASE – TRADE SUPPORT SERVICE

CONTROL YOUR SHIPMENT  
BEFORE RELEASING IT TO YOUR BUYER.

At AXL Cargo Solution FZCO, we help you stay in control of your shipments with our Hold & Release service. This service gives you the power to inspect goods before they are handed over to your customer.

Our team checks the cargo on your behalf when it arrives, takes clear photos, and prepares a detailed report on its condition. If everything is in order, we issue a certificate and release the shipment. If there's a problem, we report it immediately — helping you make informed decisions.

This service helps you reduce risks, avoid disputes, and build trust with your customers — all while protecting your brand.

## SUPPLY CHAIN CONSULTING

At AXL Cargo Solution FZCO, we offer strategic supply chain consulting to help businesses streamline operations, reduce costs, and enhance efficiency. Our experienced team analyzes your logistics network, identifies performance gaps, and designs tailored solutions that align with your goals. Whether you're optimizing inventory, selecting the right transport mode, or scaling your distribution strategy, we provide actionable insights to drive smarter decisions and long-term growth.

## TAILORED SERVICES & SPECIAL EXPERTISE

Every business has unique logistics needs — and at AXL Cargo Solution FZCO, we specialize in designing customized solutions that align precisely with our clients' requirements. From handling fragile or oversized cargo to accommodating industry-specific standards, our team combines deep expertise with operational flexibility to deliver specialized services that go beyond the standard. Whether it's a one-time project or a long-term contract, we adapt our processes to meet your goals with precision and reliability.

## 24/7 CUSTOMER SUPPORT

At AXL Cargo Solution FZCO, logistics never sleeps — and neither do we. Our dedicated customer support team is available 24/7 to ensure your shipments stay on track and your questions are answered in real time. Whether it's tracking a delivery, resolving an issue, or providing urgent updates, we're always here to support you — every hour, every day.
